ALMA

The Alma Ranch District encompasses several remaining log and wooden frame buildings dating the 1880-1910 period at the site of the Alma Strawberry Patch District. Originally located in Platte Canyon downstream, a 19th Century iron truss bridge and a logAdditional information office (719-836-4833). Jefferson is the northernmost point on the

HARVEST

The Harvest Museum district includes a 1902 log school on Main Street called the Harvest School. The building was once the main building of the Harvest School and housed the Harvest School Museum. It is a two-story log schoolhouse that was completed in 1902 with a log schoolhouse. It stands today as a testament to the hard work and dedication of the community during the 19th and early 20th centuries.

Jefferson

The mining town of Jefferson was established in 1893. It was founded by Joseph Jefferson, a copper miner from Colorado Springs. The town was originally called "Mount Jefferson" after the town's namesake, Mount Jefferson, located in the Front Range of the Rocky Mountains. Jefferson was incorporated as a town in 1901. The town was named after Jefferson County, Colorado, which was named after Thomas Jefferson, the third President of the United States.

TARRVALL VALLEY

For Tarryall Valley, visit the National Forest Service office in Tarryall, 17 miles east of Fairplay on County Road 6. For the Tarryall Valley National Wildlife Refuge, visit the National Forest Service office in Tarryall, 17 miles east of Fairplay on County Road 6.

Further Information:

Frenchman Peak, 4801 feet above sea level, provides a panoramic view of the surrounding area. The peak is accessible via a forest service road that leads to the summit. At the summit, visitors can enjoy a 360-degree view of the surrounding mountains.

Salt Works Ranch

A 19th Century iron truss bridge over the Clear Creek River, the Salt Works Ranch is an excellent example of the architecture and engineering of the time. The bridge is a two-span, three-arch structure made of iron and stone. The bridge was constructed in 1870 and is listed on the National Register of Historic Places. The bridge is now owned by the USDA Forest Service and is open to the public.

SHAWNEE

Shawnee is one of the first buildings in the town, it was moved to what is now the Shawnee School building that was built on the town's main street. The Shawnee School was created in 1870 and is one of the oldest schools in the state. The building was originally a log schoolhouse and served as a school, a community center, and a general store.
